

## Hair Loss Solutions Offered By LGC Hair Restoration

By Renee Hobbs

*Owner of LGC Hair Restoration of Brandon, Stylist Laura Craig provides hair to those who suffer from medical conditions that cause people to lose their hair.*

for people for walk into my business? It's terrifying, like going to a doctor for an unpleasant exam. When people come to me for this non surgical procedure, they are the only one in the room, I am the only person they will deal with, and you enter and leave discreetly." Craig stressed the importance of confidential-

Owner of LGC Hair Restoration of Brandon, stylist Laura Craig excitedly talks about one of the things she does for a living, which is provide hair to those who suffer from Trichotillomania, Alopecia, heredity issues, baldness, and chemotherapy.

"From fashion to necessary non-surgical permanent hair restoration LGC has solutions to fit your lifestyle," said Craig.

Bubbly and perky, Craig explained why she loves what she does and said, "It feels great to do something so fulfilling for clients. After getting solutions to their hair loss they have confidence and they feel great again about the way they look and feel.

Craig said there is a new person that emerges when he or she gets hair replacement.

Craig sympathizes with her clients and said, "Do you know how difficult it is

ity.

With almost 30 years experience, Craig just celebrated her two year anniversary in Brandon. "My business has really grown and it continues to," said Craig, who added, "I pride my business on giving all my clients full attention."

Craig likes to keep up on her education she said, "There is always the latest and greatest and I want to know about it."

What also brings a smile to Craig's face is when she talks about being an ambassador salon for the charity Wigs for Kids. Craig helps with restoring hair to children who suffer from medical hair loss conditions. For more on this organization, visit [wigsforkids.org](http://wigsforkids.org).

Craig provides a full service menu at her salon and is located at 146 W. Robertson St. in The Pamper Stop. You can reach Craig at [Igchairrestoration@gmail.com](mailto:Igchairrestoration@gmail.com) or 990-9234.
